School Improvement Plan Review:

- 50/200 students were absent 10% or more days
- 49/200 students were suspended for 1 or more days
- Students with disabilities, English Language Learners, and black students performed the lowest
- 8th Grade science was our lowest performance area
- Review of SIP Goals
 - Positive culture
 - Build relationships through positive social events
- Instructional Practice
 - Fundamental math rotations
 - Student prefers the rotations
 - Needs movement
 - Helps to not zone out and/or fall asleep

- Need to meet with our paraprofessionals a week prior to discuss the next weeks plans

PFEP (Parent and Family Engagement Plan) Review/Feedback:

- Goal - to increase the participation of families in one more of the family engagement events that focus on learning.
- Parents will receive invites through Skylert, email and written invites.
- Considerations:
 - Offering parent events at varying times to accommodate families.
 - Includes afternoon and evening times
 - A Spanish translator can be available during conferences if needed.
 - Documents are translated into Spanish as needed.
 - Families are always encouraged to provide feedback after an event.
 - Surveys are available at every event in English and Spanish
- Upcoming Parent Nights
 - November 16, 2023 - Sharing FAST PM1 data, explaining the importance of developing foundational reading and math skills, and emphasizing the value and impact the family and home have on their students' overall success.
 - February 9, 2024 - Sharing FAST PM2 data, providing parents with additional resources and strategies to help encourage and support their students in preparation for FAST PM3 ELA and Math.
 - May 15, 2024 - Sharing strategies and resources with parents that they can utilize with their students during the summer months to prevent academic decline.
